Whether you are a rank beginner or an accomplished player we will help you to learn the game or enhance the skills you already have. Our professional coaches are CRB cleared and led by, Ex-Test Cricketer and Level III coach Neil Ferreira and will ensure your children have a fantastic week of cricket. Our sports complex boasts excellent facilities including all weather pitches and a fully equipped indoor cricket school. So regardless of the weather conditions, players will have a full days coaching. The day is split into 3 parts, warm up and fitness, followed by specialized coaching and games, culminating in small sided games to put into practice the skills coached during the day. Your children are guaranteed to finish this week with improved personal cricketing skills. Limited places available so please book early to avoid disappointment.
